

COLONNA PALACE

Gallery & Princess Isabelle's Apartment

The tour includes the visit of the Gallery, conceived as a large boardroom to celebrate the victory of the Battle of Lepanto in 1571, and Princess Isabelle's apartment, preserved exactly as it was when the princess was still alive. In the apartment you can find the same warm atmosphere, the same attention to details and the same care in keeping the family photos where they were originally placed, next to the famous collection of thirty-seven views by Vanvitelli.
